CONTRACTS.

TO BUILDERS AND OTHERS.

NOTICE is hereby given that plans and specifications for BUILDING the NEW CHURCES at ASHLEWORTH, in the county of Worcester, will be lying at the residence of Mr. Cookson, from the 1st until the 27th day of May inst. All persons willing to Contract for the execution of the Works, are required to send in their Tenders, directed to Mr. Osborne, Redditch, on or before the 27th day of May. Attached to every Tender must be the price which each Builder is willing to allow for the old Church which he will have to take down at his own expense. The Building Committee do not bind themselves to accept the lowest Tenders.

Redditch, May 1st, 1852.

SAINT GILES-IN-THE FIELDS and SAINT GEORGE, BLOOMSBURY. — To GAS-LIGHT COMPANIES, STONE MERCHANTS, GRAVEL DIGGERS, SCAVENGERS, and CONTRACTORS for CARTAGE.—NOTICE is hereby given, that the Committee superintending cleansing and lighting these parishes, will meet at the Vestry-room of Saint Giles-in-the-Fields, on Thursday, the 27th day of May instant, at Ten o'clock in the forenoon precisely, to receive Tenders for such contract or contracts as any person or persons may be willing to undertake for the PUBLIC LAMPS of these parishes for one, two, or three years from Midsummer next, for LIGHTING the PUBLIC LAMPS of these parishes from Michaelmas next, or of others occupying parts thereof, with gas, and also for LIGHTING the public lamps of these parishes in Holborn, and the parts south and west of Holborn, with gas, distinguishing in the tenders the prices per annum for each public lamp, burner, and at per annum for each three-hole or each four burner; also to paint the standards, brackets, and lanterns, and to keep the same, together with the glasses, in repair, including accidents, at per annum for each lantern. Also, to receive proposals from such person or persons as may be willing to contract for all or any of the following improvements, proposals to others to be given by the Committee reasonably, for supplying the Committee with the best Kew squared Aberdeen, Mount Sorrell and other granite, of certain widths and depths, at per ton for each sort; also, best Eland Edge, Yorkshire and other foot paving, at per yard, superficial; and also the best broken Guernsey, or Mount Sorrell granite, at per cubic yard. A full particular of the several widths and depths and definitions of the Granite and York to be supplied, may be had by applying at the Clerk's Office, No. 21, Hart-street, Bloomsbury-square; or of Mr. WILSON, Surveyor to the Committee, at the Stone-yard, No. 188, Holborn; also the best yellow seasoned binding Gravel, Thames Ballast, and the best, at per yard cube, the said several last-mentioned articles to be delivered in such quantities, at such times, and in such places, within the said parishes, or either of them, as the Committee may direct. Also to receive Proposals and Contract for Cartage for the Committee, within the parishes, of old stone, gravel, slop, &c. as per load. The cart used for this purpose must not measure less than 10 cubical feet. Proposals for the above to be for the term of one year from Midsummer next. Also to receive Proposals from such person or persons as may be willing to contract for one, two, or three years from Midsummer next, for removing from time to time, as may be required by the Committee, all slop, night-soil, and dirt, and cart as shall be swept together and be placed by the men employed by the Committee in or upon the carriage-ways and footways of the squares, streets, lanes, and other places in the parishes (Lincoln's-Inn-fields, and the streets and places built upon land belonging to the Foundling Hospital excepted), and to dispose of all such slop, night-soil, &c. The carts to be used for this purpose must not measure less than 60 cubical feet; and for taking away the dust and ashes, &c. from the houses and buildings of the inhabitants of the several squares, streets, and other places respectively; and the proposals for the last-mentioned works are, in addition, to contain those separate and distinct tenders—namely, one for the removal of the dust and ashes at per load; and another tender for the removal of the slop, night-soil, &c. at per annum; and another distinct tender for the privilege of taking away the dust and ashes. The covenantors of companies, and persons sending tenders, are required to attend at the Vestry room, at the time of the meeting. The contracts or agreements not to let or assign his or their contract, share or interest to any person, or any part or parts thereof respectively, without the special consent of the Committee. Security to the satisfaction of the Committee will be required for the performance of the several contracts, and the names, places of abode, &c., of the persons to be offered as sureties, to be sent with the proposals, sealed, to be delivered at the time they be. Drafts of the several contracts may be seen at the Clerk's office. The Committee will not bind themselves to accept the lowest tender, and will defray the charge for each of the contracts and bonds. Payments to be made quarterly. — Printed particulars for the persons proposing for the supply of stone, gravel, and carriage, may be had of the Clerk or Surveyor, or as above.

By order of the Committee,

May 8, 1852. ROBERT PINNIS, Clerk to the Committee.
